*The Unique Legacy of Weird Tales* Justin Everett 2015-10-01 When the pulp magazine *Weird Tales* appeared on newsstands in 1923, it proved to be a pivotal moment in the evolution of speculative fiction. Living up to its nickname, “The Unique Magazine,” *Weird Tales* provided the first real venue for authors writing in the nascent genres of fantasy, horror, and science fiction. *Weird* fiction pioneers such as H. P. Lovecraft, Robert E. Howard, Clark Ashton Smith, Robert Bloch, Catherine L. Moore, and many others honed their craft in the pages of *Weird Tales* in the 1920s and 1930s, and their work had a tremendous influence on later generations of genre authors. In *The Unique Legacy of Weird Tales: The Evolution of Modern Fantasy and Horror*, Justin Everett and Jeffrey Shanks have assembled an impressive collection of essays that explore many of the themes critical to understanding the importance of the magazine. This multi-disciplinary collection from a wide array of scholars looks at how *Weird Tales* served as a locus of genre formation and literary discourse community. There are also chapters devoted to individual authors—including Lovecraft, Howard, and Bloch—and their particular contributions to the magazine. As the literary world was undergoing a revolution and mass-produced media began to dwarf high-brow literature in social significance, *Weird Tales* managed to straddle both worlds. This collection of essays explores the important role the magazine played in expanding the literary landscape at a very particular time and place in American culture. *The Unique Legacy of Weird Tales* will appeal to scholars and aficionados of fantasy, horror, and weird fiction and those interested in the early roots of these popular genres.

**Video Movie Guide 1998** Mick Martin 1997 Reviews thousands of movies and rates each film according to a five-star rating system, and features cross-indexing by title, director, and cast.

**Interactive Books** Jacqueline Reid-Walsh 2017-09-27 Movable books are an innovative area of children’s publishing. Commonly equated with spectacular pop-ups, movable books have a little-known history as interactive, narrative media. Since they are hybrid artifacts consisting of words, images and movable components, they cross the borders between story, toy, and game. *Interactive Books* is a historical and comparative study of early movable books in relation to the children who engage with them. Jacqueline Reid-Walsh focuses on the period movable books became connected with children from the mid-17th to the early-19th centuries. In particular, she examines turn-up books, paper doll books, and related hybrid experiments like toy theaters and paignon (or domestic play set) produced between 1650 and 1830. Despite being popular in their own time, these artifacts are little known today. This study draws attention to a gap in our knowledge of children’s print culture by showing how these artifacts are important in their own right. Reid-Walsh combines archival research with children’s literature studies, book history, and juvenilia studies. By examining commercially produced and homemade examples, she explores the interrelations among children, interactive media, and historical participatory culture. By drawing on both enlightenment thinkers and contemporary digital media theorists *Interactive Books* enables us to think critically about children’s media texts paper and digital, past and present.

**Terrible Changes Occur in the House Where Tibby’s Mother Works**, but although Tibby knows something that may make all the difference, she doesn’t feel she can divulge the secret.

**Helen Keller** 2018-05-25 *The Story of My Life* is an autobiography by Helen Keller. It is the story of Helen Keller and her life as a deaf and blind girl, and her triumph over these tribulations. In the book, she reveals her frustration and rage over her condition. It details her educational achievements and her introduction to the world through her breakthrough into communication. The story was written by Helen Keller when she was just 22 years old. *The Story of My Life* is a tale of the courage and unbreakable will of Helen Keller. The book has been adapted into a television series, a Broadway play, a Hollywood feature film, and an Indian feature film.
