The Complete Story of the Passion and Death of Our Lord Jesus Christ Arthur Ryan 1884

The Trial and Death of Jesus Geert van Oyen 2006 What is the significance of the trial and death of Jesus in the Gospel of Mark? In its annual meetings the Mark Group of the Society of Biblical Literature studied the trial of Jesus in 2003 and the death of Jesus in 2004. Both speakers and audience expressed the desire to bring some of the papers together in book form. The current volume fulfills this wish. The contributions presented here represent an up to date expression of one of the most important themes in Markan exegesis. The editors use the metaphor of a prism to illustrate the two sections of the book. Like a concave prism spreading light, the first section presents a range of understandings of the meaning of the death of Jesus. Like a convex prism focusing light, the second section uses multiple methodologies to focus attention on the trial of Jesus, particularly the charge of blasphemy. The papers together raise questions, challenge common views, and interrelate themes that push Markan scholarship forward.

The Passion of Jesus in the Gospel of Matthew Donald Senior 1990 The Word of the cross is a living word, crying out for reinterpretation as life takes new shape and expression. Reinterpreting the Gospel was particularly compelling for Matthew's church because his Christians lived in a time of profound transition. The Passion of Jesus, then, was not simply a story of suffering out of the past but a point of identification for the Christians of Matthew's own time. For us twentieth-century Christians, who also know the peculiar suffering and hope of living in an age that is both dying and being born, the Passion of Jesus according to Matthew has special meaning.

The Apocryphal Gospels Bart Ehrman 2011-07-21 Bart Ehrman--the New York Times bestselling author of Misquoting Jesus and a recognized authority on the early Christian Church--and Zlatko Plese here offer a groundbreaking, multi-lingual edition of the Apocryphal Gospels, one that breathes new life into the non-canonical texts that were once nearly lost to history. In The Apocryphal Gospels, Ehrman and Plese present a rare compilation of over 40 ancient gospel texts and textual fragments that do not appear in the New Testament. This essential collection contains Gospels describing Jesus's infancy, ministry, Passion, and resurrection, as well as the most controversial manuscript discoveries of modern times, including the most significant Gospel discovered in the 20th century--the Gospel of Thomas--and the most recently discovered Gospel, the Gospel of Judas Iscariot. For the first time ever, these sacred manuscripts are featured in the original Greek, Latin, and Coptic languages, accompanied by fresh English translations that appear next to the original texts, allowing for easy line by line comparison. Also, each translation begins with a thoughtful examination of key historical, literary, and textual issues that places each Gospel in its proper context. The end result is a resource that enables anyone interested in Christianity or the early Church to understand--better than ever before--the deeper meanings of these apocryphal Gospels. The Apocryphal Gospels is much more than an annotated guide to the Gospels. Through its authoritative use of both native text and engaging, accurate translations, it provides an unprecedented look at early Christianity and the New Testament. This is an indispensable volume for any reader interested in church history, antiquity, ancient languages, or the Christian faith.

Becoming John Kari Syreeni 2018-10-18 In this new analysis of the Gospel of John, Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work, and that the original did not include Jesus' passion. Syreeni theorizes that the original gospel ended at Chapter 12, with the notion of Jesus' disappearance from the world, and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew. Syreeni suggests that the letters of John - written after the predecessor gospels but before the final edition - reveal a schism in the Johannine community that was caused by the majority faction's acceptance of Jesus' death and resurrection, as it was then recorded in the new gospel. By exploring the gospel's different means of legitimizing the passion story, such as the creation of the 'Beloved Disciple' to witness Jesus' passion, and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus, Syreeni provides a bold and provocative case for a new understanding of John.

Love Set Free Martin Lee Smith 2011-01-01 We think of love as being selfless and unsullied, but when is it not mixed up with something else - such as the desire to possess, the need to control, the need to be needed or the instinct to foster our own self interest? In these meditations on the Passion narratives in John’s Gospel, Martin L. Smith shows how, in the Christian mystery, love as we often understand it must die in order to be reborn as the grace of communion, as love set free.As Mary the mother of Jesus and the Beloved Disciple pledge themselves to each other’s care at the foot of the cross, we see Jesus' new commandment that we love one another placed directly in the vortex of his death and self-offering. Here, all sentimental or selfish notions of love are transformed. As the Beloved Disciple takes Mary into his home, this book shows us a model household of faith from which the church’s authentic identity derives its origin.

You'll also find proclamation tips and suggestions for musical refrains, acclamations and hymns. The cover is suitable for use in the liturgy, and the type and the use of sense lines allow for ease of proclamation. The text of the English version is that of the revised U.S. lectionary. The text of the Spanish version corresponds to the Mexican lectionary.

The Passion and Death of Our Lord Jesus Christ Alban Goodier 2017-03-31 Archbishop Alban Goodier, S.J. fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history, culture and his own deep spiritual insights. He brings to life and unifies the many observations, emotions and subtle and not-so-subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment. The author’s unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years. He draws from the obvious as well as the obscure, and finds supernatural meaning in the most mundane actions that surround the suffering Christ. In the hands of this writer, the Lord’s few words, accompanied by the author’s commentary, challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles. The author was born in 1869 in Lancashire, northern England and educated at the prominent Catholic college, Stonyhurst, which has been the source of many English Catholic politicians, intellectuals and business people. After a degree from the University of London, he was ordained a Jesuit in 1903. He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939.

Jesus and Other Men Susanna Asikainen 2018-02-05 In *Jesus and Other Men*, Susanna Asikainen explores the masculinities of Jesus and other male characters and the ideal femininities in the Synoptic Gospels.

The Gospel According to Mark 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Dolorous Passion of Our Lord Jesus Christ Anne Catherine Emmerich 1948 The writer of this Preface was travelling in Germany, when he chanced to meet with a book, entitled, The History of the Passion of our Lord Jesus Christ, from the Meditations of Anne Catherine Emmerich, which appeared to him both interesting and edifying. Its style was unpretending, its ideas simple, its tone unassuming, its sentiments unexaggerated, and its every sentence expressive of the most complete and entire submission to the Church. Yet, at the same time, it would have been difficult anywhere to meet with a more touching and lifelike paraphrase of the Gospel narrative. He thought that a book possessing such qualities deserved to be known on this side the Rhine, and that there could be no reason why it should not be valued for its own sake, independent of the somewhat singular source whence it emanated. Aeterna Press

The Passion of Jesus in the Gospel of Mark Donald Senior 1991 Which came first: a coherent Passion story or the Gospel of Mark? Contemporary biblical scholarship is divided over this issue of how, exactly, the Passion story developed. Whatever the shape of the story prior to Mark, it must have been imprinted with Christian experience as well as historical memory. Mark, in turn, felt free to retell and reinterpret that story for his own time and place. The Passion of Jesus was not only a story from the past but also, in the sufferings and hopes of the Christians of Mark's time, a living reality of the present. The readers of this insightful work will find that the Passion of Jesus as told by Mark continues to hold meaning for the present.

The Passion Series Donald Senior 1985

Passions of the Christ F. Scott Spencer 2021-03-16 Senior New Testament scholar F. Scott Spencer focuses on a neglected area in the study of Jesus and the Gospels: the emotional life of Jesus. This book offers a fresh reading of the Gospels through the lens of Jesus's emotions--anger, grief, disgust, surprise, compassion, and joy. These emotions motivated Jesus's mission and reveal to Gospel readers what mattered most to him. Amid his passions, Jesus forged his character as God's incarnate Messiah, wholly embodied and emotionally engaged with others and thoroughly embedded in the surrounding environment.

The Cross that Spoke John Dominic Crossan 2008-03-01 In this revolutionary work, John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account. He argues boldly that the apocryphal Gospel of Peter, discovered in the grave of a Christian monk in Egypt circa 1886, contains the earliest version of the death, burial, and resurrection of Jesus. He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew. Lacking in the revision, he suggests, is the very heart of the earlier Passion: its depiction of Jesus' death as the consummation of Israel's pain and the resurrection as the vindication of Israel's faith.

The Gospel According to John 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

A Crucified Christ in Holy Week Raymond Edward Brown 1986 This best selling book is certain to remain in the forefront of Gospel exegesis for years to come. In it, Father Brown treats the Gospels, written thirty to sixty years after the life of Christ, as reflecting considerable theological and dramatic development and not simply as literal accounts of a historical event."This volume is worthy of recognition. . . . It is well written, pastorally sensitive and possesses a clear theological focus." Catholic Journalist"Brown has the uncanny ability to introduce critical scholarship to the general reader in a manner that both invokes interest and raises pertinent questions in the mind." Conrad Hoover Sojourner

The Passion of Jesus in the Gospel of John Donald Senior 1991 With this volume on John the Passion series concludes its study of the meaning of Jesus' death in each of the Gospels. But though last, it is certainly not less important or a repetition of the other Gospels. In fact, John's portrayal of the death is as distinctive and unique as the rest of this maverick" Gospel. Father Senior explores how the rest of the Gospel prepares for the Passion story. He then gives a detailed analysis of the Passion narrative itself. Finally, he explores the theological motifs that dominate the Passion narrative. With scholarly finesse and deep pastoral awareness, he makes John's vibrant message of the Passion speak to our life and times. "

Experiencing the Passion of Christ John MacArthur 2004 Experiencing the Passion of Christ will give you a front-row seat as Christ's life unfolds. Passion Narratives and Gospel Theologies Frank Matera 2001-06-28 Although the passion narratives of the synoptic gospels can be read as free standing narrative, each one of them is the goal and climax of the Gospel story that precedes it. In Passion Narratives and Gospel Theologies, Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative. Matera's study of the Markan passion narrative in light of the Gospel's theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah, and no one can be Jesus' disciple unless he or she accepts the scandal of the cross. While the Gospel of Matthew continues to develop the great themes of Mark's gospel, Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology. Finally, Matera demonstrates how the Lukan passion narrative, by presenting Jesus as a model of innocent suffering, also contains a distinctive outlook in light of its gospel theology: God's righteous suffer afflictions by trial and persecution. Comprehensive in scope and clearly written, Passion Narratives and Gospel Theologies provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist. It will be welcome by students and pastors.

The Passion and Resurrection Narratives of Jesus Stephen J. Binz 2016-11-02 The passion and resurrection is the core of the Scriptures; it is also the heart of faith, liturgy, and prayer. This commentary will enrich will enrich the faith, worship, and prayer of all who look to the crucified and risen Jesus as the source of life. All the writings of the New Testament demonstrate that the passion, death, and resurrection was the culmination of Jesus’ mission and brought all the words and deeds of his life to a climax. The Passion and Resurrection Narratives of Jesus shows the differences in the four accounts and the reasons behind those differences. Text segments are followed by appropriate commentary.
